Sioux City Iowa Implements QUICK® Public Administration

SUNGARD® PUBLIC SECTOR
Preferred Solution Provider

SUNGARD® PUBLIC SECTOR **Quatred, LLC QUICK®**

"The direct benefits of deploying the mobile computing/bar coding solution from SunGard and Quatred include increased inventory accuracy, the perpetual update of inventory, reduction in unfilled parts requisitions and the increased speed of issuing parts!"

Curt Miller, Purchasing/Fleet/Transit Director
City of Sioux City, Iowa

The Challenge

Curt Miller wanted to streamline inventory processing, increase accuracy and reduce the amount of time required to record issues against fleet jobs at the Fleet Garage and Transit Garage for the City of Sioux City, Iowa.

The Solution

QUICK® Public Admin Interface:

- Wireless freedom & flexibility
  - Work in the office over a wireless local area network (WLAN)
  - Work on the road over a wireless wide area network (WWAN)
- Online real-time access to SunGard applications
- Offline capability when you're not connected
- Ability to design and print bar coded labels for inventory & assets
- Increased accuracy via bar code scanning
- Reduction in errors
  - Elimination of paperwork
- Elimination of information redundancy
  - Manually record transactions such as issues/returns and physical inventory
  - Entry of data at a later time
- Purchasing/Inventory
  - Physical Inventory
